Mr. Janney:

STATINTL

STATINTL [REDACTED] called me at 1400 hours today to tell me that he had talked to [REDACTED] this morning and had set him up for a PATB and provided him with application papers to complete and return.

STATINTL

STATINTL He describes young [REDACTED] as likable, a meticulous dresser and easy to talk to. However, he has no foreign language and wondered whether he has an aptitude for foreign languages. He has never been overseas; and, in short, [REDACTED] does not believe that he has the experience or background for serious CIP consideration. He might be fine, though, for an attorney position.

Charles graduates from law school in June 1979 and anticipates taking the bar exam shortly thereafter. I believe you will want to let Mr. Blake know the outcome of this interview.
